Sponsorship & Tickets

2026 Windsor Charity Polo Cup

On Saturday, February 14, 2026, Windsor will proudly host the eighth biennial Windsor Charity Polo Cup, which will benefit Childcare Resources of Indian River, Crossover Mission, and the Environmental Learning Center. The charities selected offer programs to support the basic, educational, and enrichment needs of underprivileged children, including providing education to people of all ages on the importance of protecting the area's land for the health and well-being of future generations.

The highly anticipated Windsor Charity Polo Cup is recognized as the signature high-goal charity polo match of the Vero Beach season. The 2024 event featured an exciting roster of top-level international players who graciously donated their time and talents. Thanks to the generosity of Windsor Members, our sponsors, and the community at large, the 2024 event raised \$400,000 for the three benefiting charities: Homeless Children's Foundation of Indian River County, Indian River Land Trust, and Ballet Vero Beach.

The 2026 event, presented by PNC Bank, will again feature an elegant fieldside luncheon and other interactive and entertaining events and exhibitions, including a junior player match, themed tailgate competition, silent auction, raffle, luxury automobile display, and much more.

Please consider becoming a sponsor of the 2026 Windsor Charity Polo Cup. Various sponsorship levels and their corresponding benefits are outlined in this packet. We would be delighted to work with you to design a sponsorship that is tailored to your individual needs.

We are looking forward to gathering at Windsor's polo field for another afternoon of world-class polo. We hope you will join us in our commitment to engage our community and to make a meaningful impact on each of our chosen benefiting charities.

Sincerely,

Jane Smalley

2026 Beneficiaries

Childcare Resources of Indian River

Since 1994, Childcare Resources of Indian River (CCR) has been committed to promoting the highest quality early childhood education and development for economically challenged families. CCR is made up of three core programs: a National Association for the Education of Young Children-accredited early childhood school, a wellness and early intervention program, and professional learning opportunities for early educators. By combining multifaceted programming, a superior learning environment, and unparalleled expertise, CCR provides individualized support to every student, family, and educator it serves. The focus remains on helping children between the ages of six weeks and five years old thrive, while empowering families and early childhood educators to build a stronger foundation for lifelong success. childcareresourcesir.org

Crossover Mission

Crossover Mission empowers under-resourced youth, ages 11–24, to become successful adults by helping them break the cycle of poverty and build bridges of understanding across cultures. Founded in 2014, the organization serves young people facing financial hardship, academic challenges, emotional stress, and health risks. Programs include: 1. Healthy Kids – Basketball training, fitness, life skills, and mentoring. 2. Academic Mentoring – Personalized tutoring, advocacy, college/career prep and Independent Study. 3. Elite Training & Competitive Travel Basketball – High-level competition and collegiate sports prep. 4. Summer Leadership & Enrichment – Focused on summer growth and experiential learning. Through mentorship, Crossover Mission cultivates character, confidence, accountability, resilience, and opportunity. crossovermission.com

Environmental Learning Center

The Environmental Learning Center (ELC) is a 64-acre nonprofit nature center in the Indian River Lagoon, dedicated to educating, inspiring, and empowering people of all ages to be active environmental stewards. Since 1988, ELC has provided hands-on, feet-wet learning experiences for thousands through field trips, camps, eco-tours, art exhibits, and sustainability programs. Open daily year-round, ELC connects people to nature in meaningful and lasting ways. With a focus on real-world impact and lifelong learning, the ELC is shaping the next generation of conservation leaders. The ELC is a place for students, parents/grandparents, nature lovers, or anyone who believes in a greener future. discoverelc.org
