20/24 WINDSOR CHARITY
POLO CUP

presented by

The 2024 Windsor Charity Polo Cup

On Saturday, February 17, 2024, Windsor will proudly host the seventh biennial Windsor Charity Polo Cup presented by PNC Bank, which will benefit the Homeless Children's Foundation of Indian River County, Ballet Vero Beach and the Indian River Land Trust. The charities selected offer programs to support the basic, educational and enrichment needs of underprivileged children, and to protect the area's land for the health and wellbeing of future generations.

We are looking forward to gathering at Windsor's polo field for another afternoon of world-class polo and other family-friendly activities.

Chaired by The Hon. Hilary M. Weston, the Windsor Charity Polo Cup is recognized as the signature high-goal charity polo match of the Vero Beach season. The 2022 event featured an exciting roster of top-level international players as well as a junior player match. Thanks to the generosity of Windsor Members, our sponsors and the community at large, the 2022 event raised \$350,000 for the Ocean Research and Conservation Association and the Environmental Learning Center.

The 2024 event will again feature an elegant field-side luncheon and other interactive and entertaining events and exhibitions, including a themed tailgate competition, raffle, luxury automobile display, specialty retail village, and much more.

Please consider becoming a sponsor of the 2024 Windsor Charity Polo Cup. Various sponsorship levels and their corresponding benefits are outlined in this packet. We would also be delighted to work with you to design a sponsorship that is tailored to your individual needs.

We hope you will join us in our commitment to engage our community and to make a meaningful impact on each of our chosen benefiting charities.

Sincerely,

Maria Whittle

About the 2024 Beneficiaries

The **Homeless Children's Foundation of Indian River County (HCF)** funds year-round enrichment activities for local homeless children, including after-school programs and summer camp. Founded by Windsor Members in 2015, HCF now serves 375 children annually. Prior to HCF's existence, most children were left in cars or motels so their parents could work. The support HCF provides assists the entire family unit: children are provided programs which open doors of opportunity, meanwhile parents can work additional hours, save, and come out of homelessness. hcfirc.com

Ballet Vero Beach (BVB) challenges the notion of what an arts organization is capable of. The company not only presents a full season of the highest quality productions, but has received international attention for its education and community engagement efforts. Fostering a love of our natural world, ensuring access to the arts for all, and combating the early literacy crisis for the children of Indian River County are just some of the ways BVB leverages dance to effect positive change. balletverobeach.org

The **Indian River Land Trust's (IRLT)** has protected more than 1,200 acres of environmentally-sensitive land throughout Indian River County, including 12 miles of Indian River Lagoon shoreline. IRLT remains focused on preserving wildlife habitat, protecting scenic waterfront, and providing access to nature for the public. For nearly a decade, IRLT has partnered with a variety of organizations to provide local youth groups and students with unique educational and research opportunities to engage in nature on IRLT properties. irlt.org
