

2026 WINDSOR CHARITY POLO CUP

FEBRUARY 14
VERO BEACH

Presented By PNC

Tailgating at the Polo Match

Participating in the Tailgate section gives you a front row seat to Vero Beach's premier high-goal polo match. The atmosphere on the east side of the field is fun and casual and offers you and your guests a chance to show off your creativity by participating in the optional Tailgate competition.

A ticket to the Tailgate section buys you a 10' x 20' space which accommodates one vehicle and up to six guests.

Romance is everywhere; "Love actually is all around" is probably one of the most famous romantic movie lines thanks to the 2003 film *Love Actually*. Romantic love is a natural part of everyday life, so it's no surprise that it is a genre TV and film producers and audiences cannot get enough of. So, in recognition of Valentine's Day, this year's Tailgate theme is **Love Is All Around Us**.

Think romance on the big and small screen, on the stage, new or old, as well as the iconic "cities of love" so often the backdrop for romantic drama.

There are the hugely popular historical romances such as *Bridgerton*, *Sanditon*, and *The Gilded Age*, and classics like *Gone with the Wind*, *The Great Gatsby*, and *Breakfast at Tiffany's*. Then there are heartwarming "rom coms" like *Emily in Paris*, *Sleepless in Seattle*, and *Pretty Woman*. Epic love stories include *Titanic*, *Casablanca*, *Outlander*, and of course *Romeo & Juliet*, to name just a few. Or you can simply transport yourself and your guests to one of the cities of love such as Paris, London, New York, Venice, or Rome. **Pour your heart into it! The ideas are endless!**

Reserve your Tailgate spot now as the section sells out fast.
All spots are \$600 and assigned as purchased.

First, second, and third place prizes will be awarded to the winning Tailgaters! Details on the 2026 judges and prizes will be posted on the event website when available. Winners will be announced during the match half-time. Each Tailgate display will be photographed by a professional photographer.
